

Dangerous and Recalled Toys Transmittal Form Fourth Quarter 2007									
Name of Product	Importer or Distributor	Hazard	Description	Market dates	Remedy	recall web link	Not Present	Present	How Abated
Various Barbie Accessory Toys	Mattel Inc., of El Segundo, Calif.	Surface paints on the toys contain excessive levels of lead which is prohibited under federal law.	The recall involves various Barbie accessory toys that were manufactured between September 30, 2006 and August 20, 2007. The model names, product numbers and affected date code numbers are listed in the chart below. The product and date code numbers are printed on the largest component of the toy sets. Barbie® Dream Kitty Condo™ Playset (lead paint on cat) Product Number J9486, Date Code Number 286-6JX through 365-6JX or 001-7JX through 232-7JX (product number and date code are marked on the bottom of the house)	October 2006 through August 2007	Consumers should immediately take the recalled toys away from children and contact Mattel for instructions on how to receive a free replacement toy of equal value.	http://www.cpsc.gov/cpsc/pub/prerel/prhtml07/07301.html			
Britain's "Knights of the Sword" Series Toys	RC2 Corp. of Oak Brook, IL	Surface paints on the toy knights contain excessive levels of lead, violating the federal lead paint standard.	The three recalled silver knight toys are mounted on red horses sold individually in see-through blister cards. "Britains" and "Knights of the Sword" are printed on the top of the card in the packaging. The recalled toys include a mounted silver knight on a red horse with an axe; a mounted silver knight on a red horse with two hands on a raised weapon; and a mounted silver knight on a red horse with a lance.	April 2004 through March 2006	Consumers should take these recalled toys away from young children immediately and contact RC2 to receive a full refund.	http://www.cpsc.gov/cpsc/pub/prerel/prhtml07/07310.html			
X-15 Flying Model Rockets	Estes-Cox Corp. of Penrose, CO	The model rocket's side or engine retainer ring can separate and cause the rocket to fall without the nose cone separating and the parachute deploying, posing a risk of an impact injury to nearby consumers.	This recall involves the X-15 flying model rocket, a 1:44 scale version of the North American Aviation hypersonic rocket plane. The model rockets are about 13.5-inches long and have a wingspan of about 5 inches. The rockets are black and yellow, and have the number 66670 on the tail. The rockets were sold individually (item #1890) and as part of a starter kit (item #1412). The item number is printed on the product's instruction sheet and above the bar code on the product's packaging.	June 2005 through July 2007	Consumers should stop using the recalled rockets immediately and contact Estes-Cox for instructions on receiving a replacement product.	http://www.cpsc.gov/cpsc/pub/prerel/prhtml07/07319.html			
Children's Toy Decorating Sets	Toys "R" Us Inc., of Wayne, N.J.	Surface paint on the back of the recalled mirror contains excessive levels of lead, violating the federal lead paint standard.	These Totally Me! – Funky Room Décor Sets are designed to make various room décor projects and includes a clock, clock movement, satin fabric, round box, door hanger, mirror, paper mirror frame, glitter glue, sticker sheet, foam shapes, sequins, seed beads, elastic cord, fabric flowers, and gem stones. The part containing lead is the mirror.	May 2007 through September 2007	Consumers should immediately take the recalled products away from children and return the item to the nearest Toys "R" Us store for store credit.	http://www.cpsc.gov/cpsc/pub/prerel/prhtml08/08008.html			

Dangerous and Recalled Toys Transmittal Form Fourth Quarter 2007									
Name of Product	Importer or Distributor	Hazard	Description	Market dates	Remedy	recall web link	Not Present	Present	How Abated
Baby Einstein Discover & Play Color Blocks	Kids II Inc., of Alpharetta, Ga.	Surface paint on the blue block contains excessive levels of lead, violating the federal lead paint standard.	The recall involves the blue block included with the Baby Einstein Discover & Play Color Blocks, Model 30726 and Model 30881. The blocks are made of soft textures and come in different colors. Only date codes of GE7, GF7, and GG7 are included in this recall. The model number and date code are printed on the labels affixed to the green-colored block.	June 2007 through September 2007	Consumers should take the recalled blue block away from children immediately and contact Kids II to receive a free replacement of the affected block.	http://www.cpsc.gov/cpsc/pub/prerel/prhtml08/08005.html			
Disney™ Deluxe Winnie-the-Pooh 23-Piece Play Sets	J.C. Penney, of Plano, Texas	Surface paints on the play sets contain excessive levels of lead, violating the federal lead paint standard.	The recalled play set consists of 23 pieces including: either a white or black baby doll and assorted Winnie-the-Pooh themed items such as a diaper bag, blanket, playpen, highchair, swing, stroller, and carrying bags.	August 2005 through August 2007	Consumers should take the recalled play set away from young children immediately and return it to any J.C. Penney store for a full refund.	http://www.cpsc.gov/cpsc/pub/prerel/prhtml08/08022.html			
Toy Pirate Swords	The Gymboree Corp., of San Francisco, Calif.	The swords can break, creating a sharp point, which poses a laceration hazard to consumers.	This recall involves a toy pirate sword with SKU number 140025491-GYS049. The SKU number is printed on the price tag above the bar code. The sword is made of plastic, and has a gold-colored handle and a gray plastic blade. The sword is about 19 inches long.	August 2007 through September 2007	immediately stop using the swords and return them to any Gymboree store for a full refund. Consumers also can contact Gymboree to receive instructions on returning the swords via mail.	http://www.cpsc.gov/cpsc/pub/prerel/prhtml08/08037.html			
Magnetic Game Pieces sold with "Cars" Themed Backpacks	Global Design Concepts Inc., of New York, N.Y.	Small magnets inside the four game pieces that were sold with the "Cars" backpack can fall out of their plastic enclosure. Magnets found by young children can be swallowed or aspirated. If more than one magnet is swallowed, the magnets can attract each other and cause intestinal perforation or blockage, which can be fatal.	The 12 inch "Cars" Backpack was sold with four sealed game pieces that contain magnets. The game pieces included a red plastic car; a blue plastic car; and two red and black plastic disks that have "GAS," "OIL" and "SERVICE" printed in red letters on the black perimeter of the disks. "Warning: Choking Hazard-Small Parts. Not for children under 3 years" is printed on the backpack hangtag. "Disney Presents a PIXAR film" is printed on the gray vinyl front of the backpack.	February 2007 through September 2007	Consumers should immediately take the recalled game pieces away from young children and contact the Cars Backpack Recall hotline for instructions on returning the recalled game pieces for a free replacement "Cars" wallet or equivalent product.	http://www.cpsc.gov/cpsc/pub/prerel/prhtml08/08039.html

Go Diego Go Animal Rescue Boats	Fisher-Price Inc., of East Aurora, N.Y.	Surface paints on the toys contain excessive levels of lead, which violates the federal standard prohibiting lead paint on children's toys.	The toy is an orange and yellow boat that squirts water. Cartoon character Diego is in the driver's seat. "Fisher Price," product number K3413, and a date code between 137-7HF and 223-7HF are marked on the toys.	June 2007 through October 2007	Consumers should immediately take the recalled toys away from children and contact Fisher-Price in order to receive a free replacement toy. Consumers need to return the recalled toys to Fisher-Price.	http://www.cpsc.gov/cpsc/pub/prere/p/html08/0804_8.html			
"Galaxy Warriors" Toy Figures	Henry Gordy International Inc., of Plainfield, N.J.	Surface paints on the recalled toys contain excessive levels of lead, violating the federal lead paint standard.	The posable spaceman figures are about 4½-inches tall and come with two accessories. They were sold in various colors including yellow, grey, silver, blue, green, gold, black, and red.	January 2006 through October 2007	Consumers should take the recalled toys away from children immediately and return the toy to the firm for a full refund plus postage.	http://www.cpsc.gov/cpsc/pub/prere/p/html08/0806_0.html			
Elite Operations Toys	Toys "R" Us Inc., of Wayne, N.J.	Surface coatings on the toys contain excessive levels of lead, violating the federal lead paint standard.	The recall involves four military-style Elite Operations toys, including Super Rigs (#1004), Command Patrol Center (#1020), Barracuda Helicopter (#1023), and 3 Pack 8-inch Figures (#1024). The product number is located on the toy's packaging. No other Elite Operations brand military play sets are included in this recall.	July 2007 through October 2007	Consumers should immediately take the toy away from children, and return them to any Toys "R" Us for a full refund or store credit.	http://www.cpsc.gov/cpsc/pub/prere/p/html08/0805_7.html			
Dizzy Ducks Music Box	Schylling Associates Inc., of Rowley, Mass.	Surface paints on the wooden base of the music box contain excessive levels of lead, which violates the federal lead paint standard.	The Dizzy Ducks Music Box is a wind-up music box with ducks that spin as music plays.	March 2007 through October 2007	Consumers should immediately take the recalled toy away from children and contact Schylling to receive a refund or free replacement toy.	http://www.cpsc.gov/cpsc/pub/prere/p/html08/0807_1.html

Name of Product	Importer or Distributor	Hazard	Description	Market dates	Remedy	recall web link	Not Present	Present	How Abated
Pull-Back Action Toy Cars	Dollar General Merchandising Inc., of Goodlettsville, Tenn.	Surface paint on the cars contains excessive levels of lead, violating the federal lead paint standard.	The recall involves two styles of "pull and release" toy cars, including a four pack of Super Wheels (UPC #400016576344) and a two pack of Super Racer cars (UPC # 883788965002).	April 2007 through October 2007	Consumers should immediately take the recalled toy cars away from children and return them to any Dollar General store for a full refund.	http://www.cpsc.gov/cpsc/pub/prerel/prhtml08/08068.html			
Dragster and Funny Car toy	International Sourcing Ltd (ISL), of Springfield, Mo.	Surface paint on the wheels and engine of the toys contains excessive levels of lead, violating the federal lead paint standard.	The recall includes plastic models of a dragster and funny car. The dragster is approximately 22 inches long, black in color with various sponsor decals on the toys. The funny car is approximately 14 inches long and is also black in color. Both models have the ISL logo imprinted on the underside.	March 2007 through September 2007	Consumers should immediately take the toy away from children, and return it to International Sourcing Ltd. for a full refund or replacement product.	http://www.cpsc.gov/cpsc/pub/prerel/prhtml08/08067.html			
Fishing Games	Far East Brokers and Consultants Inc., of Jacksonville, Fla.	The recalled game has parts that contain excessive levels of lead, violating the federal lead paint standard.	The recalled Fishing Game contains a fishing pole, one large battery operated fish, and three small wind-up fish. The UPC #011546208270 and product #25741 are printed on the product's packaging.	October 2007 through November 2007	Consumers should immediately take the product away from children and return it to the store where purchased for a full refund.	http://www.cpsc.gov/cpsc/pub/prerel/prhtml08/08130.html			
Baby Toys Baby Bead & Wire Toys and Speed Racer Pull Back & Go Action! Cars	Greenbrier International Inc., of Chesapeake, Va.	The recalled toys contain excessive levels of lead, violating the federal lead paint standard.	The Baby Bead & Wire Toys are colored wires and colored beads that can slide on a natural wood platform. These bead toys have item number 903419 and date code 71 printed on the back of the packaging. The Speed Racer Pull Back & Go Action! Cars are yellow with black stripes and white with red stripes. Item number 873820 and date code 77 is printed on the back of the packaging.	March 2007 through October 2007 (Baby Bead & Wire Toys) and from September 2007 through November 2007 (Speed Racer Cars)	Consumers should immediately take these toys away from children and return to the store where purchased for a refund.	http://www.cpsc.gov/cpsc/pub/prerel/prhtml08/08133.html

Super Magnets	Man's Trading Company, of Brisbane, Calif.	The magnet attached to the bottom of a small toy panda can detach. If swallowed or aspirated by young children, the magnets can attract each other internally and cause intestinal perforations or blockages, which can be fatal.	The ½-inch toys are shaped and painted to resemble panda bears. A small magnet is attached to the bottom of the toy. "Super Magnets" and the MTC logo are printed on the front of the packaging. The magnet toys are sold eight to a package.	September 2005 through November 2007	Consumers should take the recalled toy away from children immediately and return them to the store where purchased for a full refund.	http://www.cpsc.gov/cpsc/pub/prere/p/html08/08149.html			
Big Big World 6-in-1 Bongo Band toys	Retail stores nationwide	Surface paints on the toys contain excessive levels of lead, which violates the federal law prohibiting lead paint on children's toys.	The recalled toys have two bongos, including one with a yellow and green plastic drum base with a blue drum surface. The other bongo is yellow and green plastic drum base with an orange drum surface with "It's a Big, Big World" printed on it. The toys were sold with animal shaped accessories including a monkey, bird, tambourine and drum stick. The toys have product number K9343 inside the orange drum. A date code between 139-7SH and 232-7SH is printed on the drum's orange ring surface. Bongo Band toys included in this recall must have both the product number and date code.	July 2007 through August 2007	Consumers should immediately take the recalled toys away from children and contact Fisher-Price for instructions on returning the product in order to receive a free replacement toy.	http://www.cpsc.gov/cpsc/pub/prere/p/html07/07303.html			
Geo Trax Locomotive Toys	Retail stores nationwide	Surface paints on the toys contain excessive levels of lead.	The recall involves the Geo Trax Freightway Transport and Geo Trax Special Track Pack locomotive toys. These toys are red with yellow paint on the ladder and horn details. The recalled models were manufactured between July 31, 2006 and August 20, 2007 and have a date code between 212-6CK through 325-6CK or 001-7CK through 232-7CK marked on the bottom of the product. The packaging on the Freightway Transport model is marked H5705 and the packaging on the Special Track Pack model is marked K3013.	September 2006 through August 2007	Consumers should immediately take the recalled toys away from children and contact Fisher-Price. Consumers will need to return the product in order to receive a free replacement toy.	http://www.cpsc.gov/cpsc/pub/prere/p/html07/07302.html			
Children's Toy Rake	Jo-Ann Fabric and Craft Stores nationwide	Surface paint on the handle of the rake can contain excessive levels of lead paint, violating the federal lead paint standard.	The recalled children's rake has a green handle with a yellow duck head attached to the handle. The rake has seven purple tines, also known as teeth. The rake is about 24 inches long. "Robbie Ducky™ Garden Collection Rake" is printed on a tag attached to the handle.	January 2007 through September 2007	Consumers should immediately take the recalled toy rake away from children and return it to any Jo-Ann Fabric and Craft Store for a full refund.	http://www.cpsc.gov/cpsc/pub/prere/p/html07/07311.html
